ABOUT US

We are dedicated to the exclusive distribution of different prestigious European brands within the gift and children store.

WE WORK EXCLUSIVELY IN

Spain, Portugal and Andorra, being present at the most important fairs.

SUSTAINABILITY AND DESIGN

The brands that we represent stand out for their unique designs and care for the environment. We like to sell brands, not only products.

SALES TEAM

We work with experienced and specialized sales representatives to help us build a strong and long-lasting network.

IF YOU WANT TO SUCCESS, YOU CAN CHOOSE THE WAY TO WORK WITH US

We focalize our efforts in the best physical shops and concept stores, trying to be a partner more than a purveyor.

Distributor

*Sale, delivery and collection.
We store your merchandise
and we distribute it
throughout the territory.*

Master agent

*We take care of the sale of
the product. The purveyor
invoice and send the
products to the customer.*

Distributor + Sales agent

*We take care of the sales, the purveyor sends directly the
goods to the customer but invoice to us. Only 1 customer, lots
of delivery adress, no risk.*
